

## **BELOIT LEARNING CENTER**

**1000 Bluff Street**

**Beloit, Wisconsin 53511**

Welcome to the Beloit Learning Center. We are a group of volunteers dedicated to the successful education of your children.

Our volunteers consist of teachers, librarians, musicians, artists, PhD's, business owners, and lawyers who work with your children to assist them in their educational studies.

We provide one-on-one assistance and match a volunteer with the needs of your students.

Our volunteers are proficient in Mathematics, English, Spanish, French, History, Composition, Literature, and the Sciences.

Our Center also provides opportunities and activities for your children to interact with other students. We have a gym and six classrooms available, complete with all of the essential learning tools needed, including wireless networking.

All of our volunteers have been screened with background checks. We are insured and conduct tutoring in a safe environment, including the use of masks, antiseptics, and safe spacing.

If you would like your children to take advantage of this educational opportunity, contact us.

Our Center is open beginning May 3, 2021, and works with your students in the mornings, afternoons and evenings to fit your working schedule.

Do your children have transportation? \_\_\_\_\_

## **Tutor Program Agreement**

As a Parent, I understand that I am responsible for the progress my students make while in the program which is affected by how hard they work and the attitude of my students. Volunteers will lend assistance, but will not do the work for me.

I Agree:

- To have my student attend all scheduled tutor sessions. If they are unable to attend, I will notify the Learning Center at least 24 hours in advance. In case of illness, I will notify the Learning Center at least one hour in advance.
- That services will be terminated if there are chronic absences or if I fail to call two times.
- To bring in any homework that my students might have and be ready to work with the Volunteers.
- To have a good attitude about being a part of the Program.
