The following rules have been adopted by The Kids First Beloit Governing Board of Education and are the result of input from The Lincoln Academy administrators, coaches, advisors, parents, and the Wisconsin Interscholastic Athletic Association (WIAA).

The codes in this handbook govern all seasonal and year-long activities sponsored by TLA including, but not limited to:

- Sports Teams - Baseball, Basketball, Cheerleading, Cross Country, Golf, Track and Field, Volleyball, Softball, Wrestling
- Clubs - Art Club, Book Club, Cooking Club, Drama, Gaming Club, National Honor Society, SkillsUSA, Scholar Council
- And other school sports or clubs (as approved by the Governing Board)
- Work-Based Learning

Academics, Character, and Career are the three pillars of The Lincoln Academy. Sports and extracurricular activities support all three pillars. It is our goal to provide rigorous academics and fundamental skills for our scholars at TLA. Extra-curricular activities provide additional opportunities for participants to enhance their academic, physical, social, and emotional development. We offer extra-curricular activities to all scholars in grades 6-12. Scholars who have elected to participate in the program will be required to practice and participate in scheduled events after regular school hours and possibly on non-school days. The supervision of practices, games, and travel will be provided by the school.

All participants are subject to the school's discipline policies listed in the [Family Handbook](#).

Procedures for discipline will be closely aligned with TLA's vision and values.

Coaches, scholars, and parents/guardians should be aware of school and state policies and procedures that support our TLA Extra-Curricular Program. A complete list of WIAA guidelines and procedures is available from the Athletic Director or online at wiaawi.org.

2. A scholar may not compete if she/he becomes nineteen (19) before August 1 of any school year.

All scholars will abide by the Extra-Curricular Code of Conduct throughout their enrollment in the program.

4. In-season or out-of-season conduct by TLA scholars is expected to be exemplary. Therefore, all athletic and activities code rules and regulations will apply all 12 months of the year.
